A Web-Based Q&A Platform for Collecting and Indexing Publicly Available Information About Common Java Libraries

Reporting period: September 1st – September 7th
Advisor / Client: Professor Rajan (ComS)
Members: Arik Coats (Web Master)
         Evan Dye (Team Leader)
         Robert Kloster (Communications Leader)

Weekly Summary:

- Roles assigned:
    - Team leader: Evan Dye
    - Communication leader: Robert Kloster
    - Webmaster: Arik Coats
- Contacted advisor:
    - Introduced ourselves and provided our technical background to Professor Rajan to allow him to assign us specific tasks on the team
    - Still in the process of setting up a weekly meeting time
- Established communication medium with team and professor
    - Using Slack for communication within the team on the project
    - Mailing list has been set up for communication with our professor

Goals for Next Week:

- Meet with our advisor to get more information on the project, and assign people specific tasks to start working on

Note: This report was previously submitted for the six person group May1620 before the team was split into May1620 and May1639 with three members each.
